### RECITALS

For convenience of reference, The Mayor and Council of Rockville, a municipal corporation of the State of Maryland, is hereinafter referred to as the “City.”

The authority for the powers herein exercised is contained in Article VII, Section 11 of the Charter of the City of Rockville (hereinafter sometimes referred to as the “Charter”) and in Article 23A of the Annotated Code of Maryland, as amended (the “City Enabling Act”), such authority being hereinafter sometimes referred to collectively as the “Enabling Act.”

The Act enables the City to issue bonds for the purpose of financing and refinancing the costs of capital projects.

The City finds it to be in the public interest to borrow money to (i) finance and refinance all or a portion of the costs of the projects listed on Exhibit A attached hereto; and (ii) pay the costs incurred by the City in connection with the issuance, sale and delivery of said bonds.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND COUNCIL OF ROCKVILLE, that:

Section 1: Acting pursuant to the authority of the Enabling Act, the City hereby determines that the net proceeds from the sale of its General Obligation Bonds, Series 2011B (Bank Qualified), authorized to be issued and sold by this Ordinance (the “Series 2011B Bonds”), shall be used and applied to (i) finance and refinance all or a portion of the costs of the projects listed on Exhibit A attached hereto, and (ii) pay the costs incurred by the City in connection with the issuance, sale and delivery of the Series 2011B Bonds.

Section 2: It is hereby determined that the City shall borrow money and incur indebtedness for the purposes set forth in this Ordinance. To evidence such borrowing and indebtedness and acting pursuant to the authority of the Enabling Act, the City shall issue and sell, upon its full faith and credit, its general obligation, fully registered bonds, said issue of bonds to be known as “The Mayor and Council of Rockville General Obligation Bonds, Series 2011B (Bank Qualified)” in an aggregate principal amount not to exceed Ten Million Dollars (\$10,000,000). The City Manager of the City is hereby authorized and directed to determine the aggregate principal amount and the principal amount per maturity of the Series 2011B Bonds to be issued in order to further the best interests of the City.

Section 3: The Series 2011B Bonds shall all be dated as of the date of their issuance, shall be in the denominations of \$5,000 or any integral multiple thereof, shall be numbered from one (1) consecutively upwards in the order of their maturities and each such number shall be prefixed by the letter “R.” The Bond Registrar (hereinafter designated) may make such additional provision for numbering, including additional prefixes and suffixes, as it may deem

appropriate. The Series 2011B Bonds shall mature on June 1 in such years and in such principal amounts as the City Manager shall determine in order to further the best interests of the City.

Section 4: The Series 2011B Bonds maturing on or before June 1, 2020, shall not be subject to redemption prior to their respective maturities. The Series 2011B Bonds maturing on or after June 1, 2021 shall be subject to redemption prior to their respective maturities at the option of the City on or after June 1, 2020, either as a whole or in part at any time, in such order of maturity and within any maturity in such amount as directed by the City, at par plus accrual interest; provided, however, that the City Manager is hereby authorized and directed to specify such other optional redemption features with respect to the Series 2011B Bonds as he may deem to be in the best interests of the City.

If less than all of the Series 2011B Bonds of any one maturity are called for redemption, the particular Series 2011B Bonds or portion thereof to be redeemed from such maturity shall be selected by lot by the Bond Registrar in such manner as the Bond Registrar in its sole discretion may determine.

When less than all of a Series 2011B Bond in a denomination in excess of \$5,000 shall be so redeemed, then, upon the surrender of such Series 2011B Bond, there shall be issued to the registered owner thereof, without charge, for the unredeemed balance of the principal amount of such Series 2011B Bond, at the option of such owner, registered Series 2011B Bonds in any of the authorized denominations, the aggregate face amount of such Series 2011B Bonds not to exceed the unredeemed balance of the registered Series 2011B Bond so surrendered, and to bear the same interest rate and to mature on the same date as said unredeemed balance.

If, in accordance with the foregoing options, the City elects to redeem all outstanding Series 2011B Bonds, or less than all, it will give a redemption notice by letter mailed first class, postage prepaid, to the registered owners of the Series 2011B Bonds to be redeemed at least thirty (30) days and not more than sixty (60) days prior to the redemption date, at the addresses of such owners appearing on the registration books kept by the Bond Registrar; provided, however, that the failure to mail any such notice or any defect in the notice so mailed or the mailing thereof shall not affect the validity of any redemption proceedings. Such notice shall state for all Series 2011B Bonds being redeemed: maturity date, certificate numbers, redemption date, redemption price, whether the Series 2011B Bonds are being redeemed in whole or in part and shall also state that on the redemption date the interest on the Series 2011B Bonds so called shall cease to accrue and the redemption price shall become due and payable and shall require that the Series 2011B Bonds so called be presented for redemption and payment at the principal corporate trust office of the Paying Agent.

The City may also provide such further notices and take such further actions as it deems necessary in connection with such redemption, including any such notices or actions as are required by the Securities and Exchange Commission or by the Municipal Securities Rulemaking Board.

From and after the date fixed for redemption, if due notice has been given as herein provided, and the funds sufficient for payment of the redemption price and accrued interest shall be available therefor on such date, the Series 2011B Bonds so designated for redemption shall cease to bear interest. Upon presentation and surrender in compliance with said notices, the Series 2011B Bonds so called for redemption shall be paid by the Paying Agent (hereinafter designated) at the redemption price plus any accrued interest. If not so paid on presentation thereof, said Series 2011B Bonds so called shall continue to bear interest at the rates expressed therein until paid. All Series 2011B Bonds redeemed and paid hereunder will be canceled.

Section 5: All of the Series 2011B Bonds authorized by this Ordinance shall bear interest at such interest rate or rates as shall be approved by the City Manager upon receipt of competitive bids for the Series 2011B Bonds. Each Series 2011B Bond shall bear interest from the interest payment date next preceding the date on which it is authenticated, unless authenticated upon an interest payment date, in which event it shall bear interest from such interest payment date, or unless authenticated prior to the first interest payment date, in which event it shall bear interest from the date of the Series 2011B Bonds; provided, however, that if at the time of authentication of any Series 2011B Bond interest is in default, such Series 2011B Bond shall bear interest from the date to which interest has been paid. The interest on all Series 2011B Bonds shall be paid semi-annually on June 1 and December 1, beginning December 1, 2011, of each year in which any Series 2011B Bonds may be outstanding.

All Series 2011B Bonds shall be executed in the name of the City and on its behalf by the Mayor of Rockville. Such signature of the Mayor of Rockville may be manually affixed or may be imprinted on such Series 2011B Bonds by facsimile; either a facsimile or an original of the corporate seal of Rockville shall also be imprinted thereon, attested by the manual or facsimile signature of the Clerk of Rockville.

There shall accompany each Series 2011B Bond the text of the approving legal opinion of Venable LLP, Bond Counsel, with respect to such Series 2011B Bond.

In the event any official whose signature shall appear on such Series 2011B Bonds shall cease to be such official prior to the delivery of the Series 2011B Bonds, or in the event any such official whose signature shall appear on the Series 2011B Bonds shall have become such after the date of issue thereof, the Series 2011B Bonds shall nevertheless be valid and legally binding obligations of the City in accordance with their terms.

Notwithstanding any other provision of this Ordinance, it is intended that the Series 2011B Bonds will be issued as "book-entry only" securities. The City will issue one bond for each maturity of the Series 2011B Bonds in the name of Cede & Co., nominee for The Depository Trust Company ("DTC"), and beneficial ownership of the Series 2011B Bonds will be evidenced by book entries maintained by DTC. The City Manager of the City is hereby

authorized and directed to take whatever actions are necessary or advisable to facilitate the issuance of the Series 2011B Bonds as book-entry only securities.

All Series 2011B Bonds shall be issued as fully registered bonds without coupons in denominations of \$5,000 each or any integral multiples thereof, and shall be registered in the name or names of the owner or owners thereof, on books kept for such purpose at the principal office of the Bond Registrar. Payment of the principal of and interest on the Series 2011B Bonds shall be made to the persons in whose names such Series 2011B Bonds are registered on the registration books maintained by the Bond Registrar as the registered owners thereof, such principal to be payable at the principal Office of the Paying Agent upon Presentation and surrender of such Series 2011B Bonds as the same become due and payable, and such interest to be payable by check mailed by the Paying Agent on the date such interest is payable to the persons in whose names the Series 2011B Bonds are registered as of the close of business on the regular record date which shall be the last business day of the month immediately preceding each interest payment date (the "Regular Record Date") at such registered owner's address as it appears on the registration books maintained by the Bond Registrar.

The City is hereby designated as the Bond Registrar and as the Paying Agent for the Series 2011B Bonds, subject to further action by the City.

Any interest on any Series 2011B Bond which is payable but not punctually paid or duly provided for ("Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date and such Defaulted Interest may be paid by the City, at its election in each case, as provided in paragraph (a) or (b) below:

(a) The City may elect to make payment of any Defaulted Interest on the Series 2011B Bonds to the persons in whose names such Series 2011B Bonds are registered at the close of business on a record date for the payment of such Defaulted Interest (the "Special Record Date"), which shall be fixed in the following manner. The City shall notify the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on the Series 2011B Bonds and the date of the proposed payment (which date shall be such as will enable the Paying Agent to comply with the next sentence hereof), and at the same time the City shall deposit or cause to be deposited with the Paying Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as provided in this paragraph. Thereupon the Paying Agent shall fix a Special Record Date for the payment of such Defaulted interest which shall be not more than fifteen (15) nor less than ten (10) days prior to the date after the receipt by the Paying Agent of the notice of the proposed payment. The Paying Agent shall promptly notify the City of such Special Record Date and, in the name of the City, shall cause notice of the payment date for such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each registered owner as of a date not less than ten (10) days prior to such Special Record Date at such owner's address

as it appears in the registration books maintained by the Bond Registrar. The Paying Agent may, in its discretion, in the name of the City, cause a similar notice to be published at least once in a newspaper of general circulation in each of Baltimore, Maryland and the Borough of Manhattan, New York, New York but such publication shall not be a condition precedent to the establishment of such Special Record Date Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid on the date fixed for such payment to the registered owners of the Series 2011B Bonds as of the close of business on the Special Record Date.

(b) The City may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Series 2011B Bonds may be listed, and upon such notice as may be required by such exchange, if, after notice given by the City to the Paying Agent of the proposed payment pursuant to this paragraph, such payment shall be deemed practicable, and approved in writing, by the Paying Agent.

Section 6: Except as provided hereinafter or in ordinances or resolutions of The Mayor and Council of Rockville adopted prior to the issuance and delivery of the Series 2011B Bonds, all Series 2011B Bonds shall be substantially in the following form, with appropriate insertions as therein indicated, which form and all of the covenants therein contained are hereby adopted by the City as and for the form of obligation to be incurred by the City, and said covenants and conditions are hereby made binding upon the City, including the promise to pay therein contained:

The Bonds will be dated the date of their delivery (expected to be \_\_\_\_\_, 2011), and will bear interest payable on June 1 and December 1, beginning December 1, 2011. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

The Bonds will mature June 1 in the years and amounts as follows:

<u>Year of</u>	<u>Principal</u>	<u>Year of</u>	<u>Principal</u>
<u>Maturity</u>	<u>Amount*</u>	<u>Maturity</u>	<u>Amount*</u>

---

\* Preliminary, subject to adjustment as described herein

Proposals for the Bonds may contain a maturity schedule providing for a combination of serial bonds and term bonds, provided that no serial bond may mature on or after the first mandatory sinking fund redemption date of any term bond. All term bonds shall be subject to mandatory sinking fund redemption and must conform to the maturity schedule set forth above at a price of par plus accrued interest to the date of redemption. In order to designate term bonds, the proposal must specify "Last Year of Serial Maturities" and "Years of Term Maturities" in the spaces provided on the Proposal Form.

## ADJUSTMENT OF PRINCIPAL AMOUNTS

The aggregate principal amount and the principal amount of each maturity of the Bonds are subject to adjustment by the City, both before and after the receipt of bids for their purchase. Changes to be made prior to the sale will be published on Thomson Municipal Services not later than 9:30 a.m. prevailing Eastern time on the date of sale and will be used to compare bids and select a winning bidder. Changes to be made after the sale and the maturity amounts for the Bonds will be communicated to the successful bidder by 3:00 p.m. prevailing Eastern time on the date of the sale, and will not reduce or increase the aggregate principal amount of the Bonds by more than 10% from the amount bid upon. Such changes may result in the elimination of one or more maturities of the Bonds. In addition, the final maturity schedule for the Bonds will be communicated to the successful bidder by 3:00 p.m. prevailing Eastern time on the date of the sale. The dollar amount bid by the successful bidder shall be adjusted to reflect any adjustments in the principal amount of the Bonds to be issued. The adjusted bid price will reflect changes in the dollar amount of the underwriter's discount and the original issue premium or discount, but will not change the per bond underwriter's discount as calculated from the bid and initial offering prices (as herein defined) required to be delivered to the City as stated herein. The coupon rates specified by the successful bidder for all maturities will not change. The successful bidder may not withdraw its bid as a result of any changes made within these limits.

## **BOOK ENTRY SYSTEM**

The Bonds will be issued by means of a book entry system with no physical distribution of Bonds made to the public. The Bonds will be issued in fully registered form and one Bond, representing the aggregate principal amount of the Bonds maturing in each year, will be registered in the name of Cede & Co. as nominee of The Depository Trust Company ("DTC"), New York, New York, which will act as securities depository of the Bonds. Individual purchases of the Bonds may be made in the principal amount of \$5,000 or any multiple thereof of a single maturity through book entries made on the books and records of DTC and its participants. Principal and interest are payable by the registrar to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants will be the responsibility of such participants and other nominees of beneficial owners. The purchaser, as a condition of delivery of the Bonds, will be required to deposit the Bonds with DTC.

## **REGISTRAR**

The City will act as Registrar and Paying Agent and shall be subject to applicable SEC regulations.

## **OPTIONAL REDEMPTION**

The City may elect on June 1, 2021, and on any day thereafter, to prepay Bonds due on or after June 1, 2020. Redemption may be in whole or in part and if in part at the option of the City and in such manner as the City shall determine. If fewer than all Bonds of a maturity are called for redemption, the City will notify DTC of the particular amount of such maturity to be prepaid. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed. All prepayments shall be at a price of par plus accrued interest.

## **SECURITY AND PURPOSE**

The Bonds will be general obligations of the City for which the City will pledge its full faith, credit unlimited taxing powers. The proceeds will be used to finance various public improvements within the City.

After receipt of bids is closed and prior to the award, the apparent successful bidder indicated on PARITY must submit a good faith deposit of \$\_\_\_\_,000 to the City by wire transfer as instructed by the City or its financial advisor. The award to the apparent successful bidder is contingent upon receipt of the good faith deposit, and the Bonds will not be awarded to such bidder until the City has confirmation of receipt of the good faith deposit. No interest will be allowed on any good faith deposit. In the event the successful bidder shall fail to comply with the terms of its bid, the good faith deposit may be retained as and for full liquidated damages.

No proposal can be withdrawn or amended after the time set for receiving proposals unless the meeting of the City scheduled for award of the Bonds is adjourned, recessed, or continued to another date without award of the Bonds having been made.

### **CUSIP NUMBERS**

The CUSIP Service Bureau charge for the assignment of CUSIP identification numbers shall be paid by the purchaser.

### **SETTLEMENT**

The Bonds will be delivered on or about \_\_\_\_ \_\_, 2011, without cost to the purchaser through DTC in New York, New York. On the date of settlement, payment for the Bonds shall be made in federal, or equivalent, funds which shall be received at the offices of the City or its designee. Except as compliance with the terms of payment for the Bonds shall have been made impossible by action of the City, or its agents, the purchaser shall be liable to the City for any loss suffered by the City by reason of the purchaser's non-compliance with said terms for payment.

Bids for the Refunding Bonds will be received separately from bids for the Bonds, pursuant to a separate notice of sale appended to the Preliminary Official Statement dated \_\_\_\_ \_\_, 2011.

### **OFFICIAL STATEMENT**

The City has authorized the preparation of an Official Statement containing pertinent information relative to the Bonds, and said Official Statement will serve as a nearly-final Official Statement within the meaning of Rule 15c2-12 of the Securities and Exchange Commission. For copies of the Official Statement or for any additional information prior to sale, any prospective purchaser is referred to the Financial Advisor to the City, Public Financial Management, Inc., 800 Nicollet Mall, Minneapolis, MN 55402, telephone 612-371-3753.

The Official Statement, when further supplemented by an addendum or addenda specifying the maturity dates, principal amounts and interest rates of the Bonds, together with any other information required by law, shall constitute a "Final Official Statement" of the City with respect to the Bonds, as that term is defined in Rule 15c2-12. By awarding the Bonds to any underwriter or underwriting syndicate submitting a proposal therefor, the City agrees that, no more than seven business days after the date of such award, it shall provide without cost to the senior managing underwriter of the syndicate to which the Bonds are awarded 50 copies of the Official Statement and the addendum or addenda described above. The City designates the senior managing underwriter of the syndicate to which the Bonds are awarded as its agent for purposes of distributing copies of the Final Official Statement to each Participating Underwriter.
